Planning applications

<u>Planning Number</u>	<u>Address</u>	<u>What</u>	<u>HWPC Comment</u>
P21/V0003/FUL	Duxford Ford and land North of Duxford Duxford Faringdon SN7 8SQ	Duxford Ford fish easement works, comprising the placement of blocks of natural stone in the river downstream of Duxford Ford to create a natural pool and improved flow conditions to aid fish passage over the Ford, together with remedial works to the bed and banks of the river downstream of the Ford to repair scour and bank erosion, signage and interpretation board, a temporary construction access and temporary construction compound, and reinstatement of the site following completion of the works.	<p>Hinton Waldrist does not wish to object to this application.</p> <p>However it makes the following observations:-</p> <ol style="list-style-type: none"> 1. The applicant says that any mud on the road will be removed manually. Bearing in mind that the temporary access will be close to a sharp bend outside Walnut Cottage, this cleaning should be diligently observed. 2. Rainwater at the side of the road, under the proposed access road. Duxford Road is at a hollow at the location of the temporary access road and there is a heavy flow of water during wet weather. It is considered that the applicant should provide a suitable pipe and temporary headwalls under the access road along the line of the old ditch. 3. Consideration should be given to erecting road signs at the top of Duxford hill, just north of the Church, to warn of construction and delivery vehicles on the sharp bend.

- **Letter from BBOWT regarding the above application:** To review and acknowledge the e-mail of 24/2/2021 from BBOWT
