

Comet Bus Service to Oxford

The good news is that we now have a start date for the Oxfordshire Comet service to start - Wednesday 12 October. It will leave Hinton at 10, hopefully arrive in Oxford at 10.45, then depart Oxford at 1.00 to get back to Hinton for 1.45pm, serving Longworth, Appleton, Eaton and Netherton (Fyfield) en route but not Southmoor.

The minibus we would use would be the one that drops and collects people from Kingsmoor Day Centre in Hinton, prior to this village service.

The service is a trial and for the first few weeks the fares will be free.
