It was noted that AFO had sent the following report:

The application for £5,000.00 for the village hall sustainability project has gone ahead as she has heard nothing to the contrary. She passed on Christmas greetings and best wishes for 2019 to all those attending the meeting.

18/52: Report from Police Constable Officer: Sergeant Kev Hickman attended the meeting. He reported that he is the Neighbourhood Sergeant for Faringdon and Wantage. He reported at Faringdon there are 2 police officers and 4 PCSO's with another joining at Christmas. There are 2 Police officers working out of Wantage and 5 PCSO's.

He noted that Hinton Waldrist is not an area of risk/harm.

He reported that some of the issues he and his team deal with are hare coursing, anti-social behaviour and county lines.

He noted that there is a police Facebook page for Faringdon.

It was noted that there was a dog theft in Southmoor.

A question arose as to whether he felt the housing increase would yield an increase in crime. He reported that there is no indication that this would be the case.

A question arose as to speeding on the A420 and whether speed cameras are functioning. He could not answer if the cameras are working, but suggested writing to the MP.

PE said that traffic sped through this junction and there had been a series of accidents including 3 fatal ones. Working speed cameras might help to reduce speeds here.

He noted that the council should let him know of any issues that arise and that the PCSOs will attend the council meetings if they are in the area.

18/53: Matters arising from Parish Council Meeting of 4th October 2018 and not appearing elsewhere on the agenda: None.

AG contact Savills about the cutting of the Allotments and they've said they will sort it out.

18/56: Defibrillator Update: The defibrillator and cabinet have been delivered to HH. He will speak to Mike Naworynsky as to the placement. It was noted that we would need to look at when the battery expires as well as whether or not a trauma pack is included. AL to check.

The council agreed that Hinton Waldrist Parish Council will pay any electrics cost incurred.

18/57: New dog bin location: PE reported that the council has been offered a new dog bin which would be useful in all weather conditions. He will ask if it can go on the phone pole as it isn't working well by the bus shelter due to smell. PE will contact the Vale of White Horse District Council as to the placement.
